

Facing the Covid-19 Pandemic Head-On

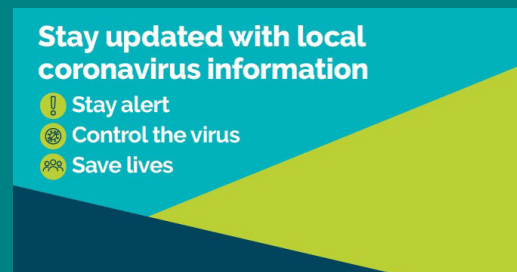

During these difficult and uncertain times, we want to reassure you that IPL remains totally committed to prioritising the health, safety and wellbeing of all our employees in the workplace whilst meeting all our customer requirements. We moved rapidly to put appropriate and responsive measures in place to protect our employees safety and well-being. We continue to work

closely with our operational teams ensuring that policies, procedures, and plans are in place to help minimise the negative impact on the business. We have implemented an extensive range of business continuity and contingency planning measures as we continue to remain fully operational and you can be assured that we will satisfy all customer requirements.

Following World Health Organisation Advice

Applying Local Government Guidelines

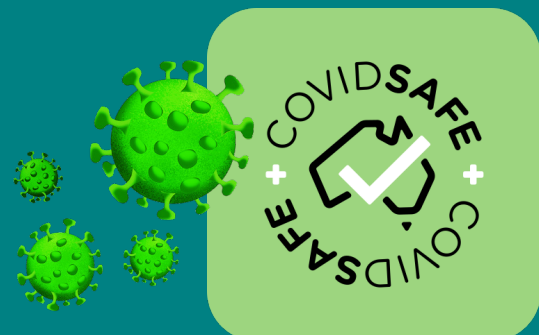

Rapid Measures Implemented

One Way Systems Implemented

Covid Checks on Employees, Hauliers & Third Parties

No Issues, No Risks, No Delays
